

Student Opinion Forms Fiber Optics - Training

Towards the end of the semester you will be required to fill out an **online** Student Opinion Form (SOF) to provide feedback on your learning and the instructor of this course. Your responses will be anonymous and the instructor will only see the responses after the final grades have been submitted. Your responses are important because they may offer information and recommendations to improve teaching and learning at the college.

Step 1: Begin by selecting MyAACC on the top right.
